View

2-way  
Audio

IP67  
Resistance

AcuSense

Smart Monitoring,  
Complete Flexibility

DS-2CD2346G2P-ISU/SL

**Getting left behind using traditional turret cameras with multiple installations?**

This is the perfect camera you don't want to miss. Offering a 180-degree horizontal field of view, it combines the capabilities of two regular turret cameras into one, using just one cable and one IP address, doubling your surveillance area. Hikvision's advanced image fusion technology provides a natural 180-degree view by minimizing distortions through image stitching. With AcuSense technology for precise human and vehicle alarm filtering, this camera is the ultimate choice protecting your valuable assets.

## 2-IN-1 COMBINATION

GREAT PRICE-PERFORMANCE RATIO  
WITH ADD-ON FEATURES

- Combines the functions of 2 x Hikvision AcuSense Turret Cameras into 1 form factor
- Functional enhancements with 180° field of view and 2-way audio on the latest camera model
- Flat View, less curvature, more detail presented

## PRODUCT DETAILS

- 4MP resolution
- 180 horizontal panoramic view
- Clear imaging against strong back light
- AcuSense 2.0 human/vehicle filtering
- 2-way-audio with built-in mic and speaker
- Active strobe light and customizable audio alarm
